**DRAFT LAUREL VIEW RIVER STUDY PLAN**  
**PUBLIC MEETING**

The Georgia Environmental Protection Division (EPD) will be holding a public meeting to discuss the draft Laurel View River Study Plan. The meeting will be held at the Midway Civic Center, located at 9397 East Oglethorpe Highway, Midway, Georgia 31320 at 6:30 p.m. on Wednesday, May 27, 2009.

Earlier this year, EPD held a public hearing regarding the proposed Liberty County Development Authority Tradeport East Water Reclamation Facility (draft NPDES Permit No. GA0039101). After that hearing, EPD determined that it would conduct a site-specific stream study to verify the model that was used to develop the wasteload allocation for the proposed permit.

EPD will be accepting written comments on the draft study plan. To ensure their consideration, written comments should be received by close of business on June 5, 2009. Address comments to: Jeffrey Larson, Assistant Branch Chief, Watershed Protection Branch, Environmental Protection Division, 4220 International Parkway, Suite 101, Atlanta, Georgia 30354.

The Laurel View River Study Plan is available for review at 4220 International Parkway, Suite 101, Atlanta, Georgia 30354 between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday and on EPD's website at [www.gaepd.org/Documents/laurel\\_view\\_study\\_plan.html](http://www.gaepd.org/Documents/laurel_view_study_plan.html).
